Volume One of publication examining girlhood on the internet and the impact of image collecting and associating in personal style and identity.

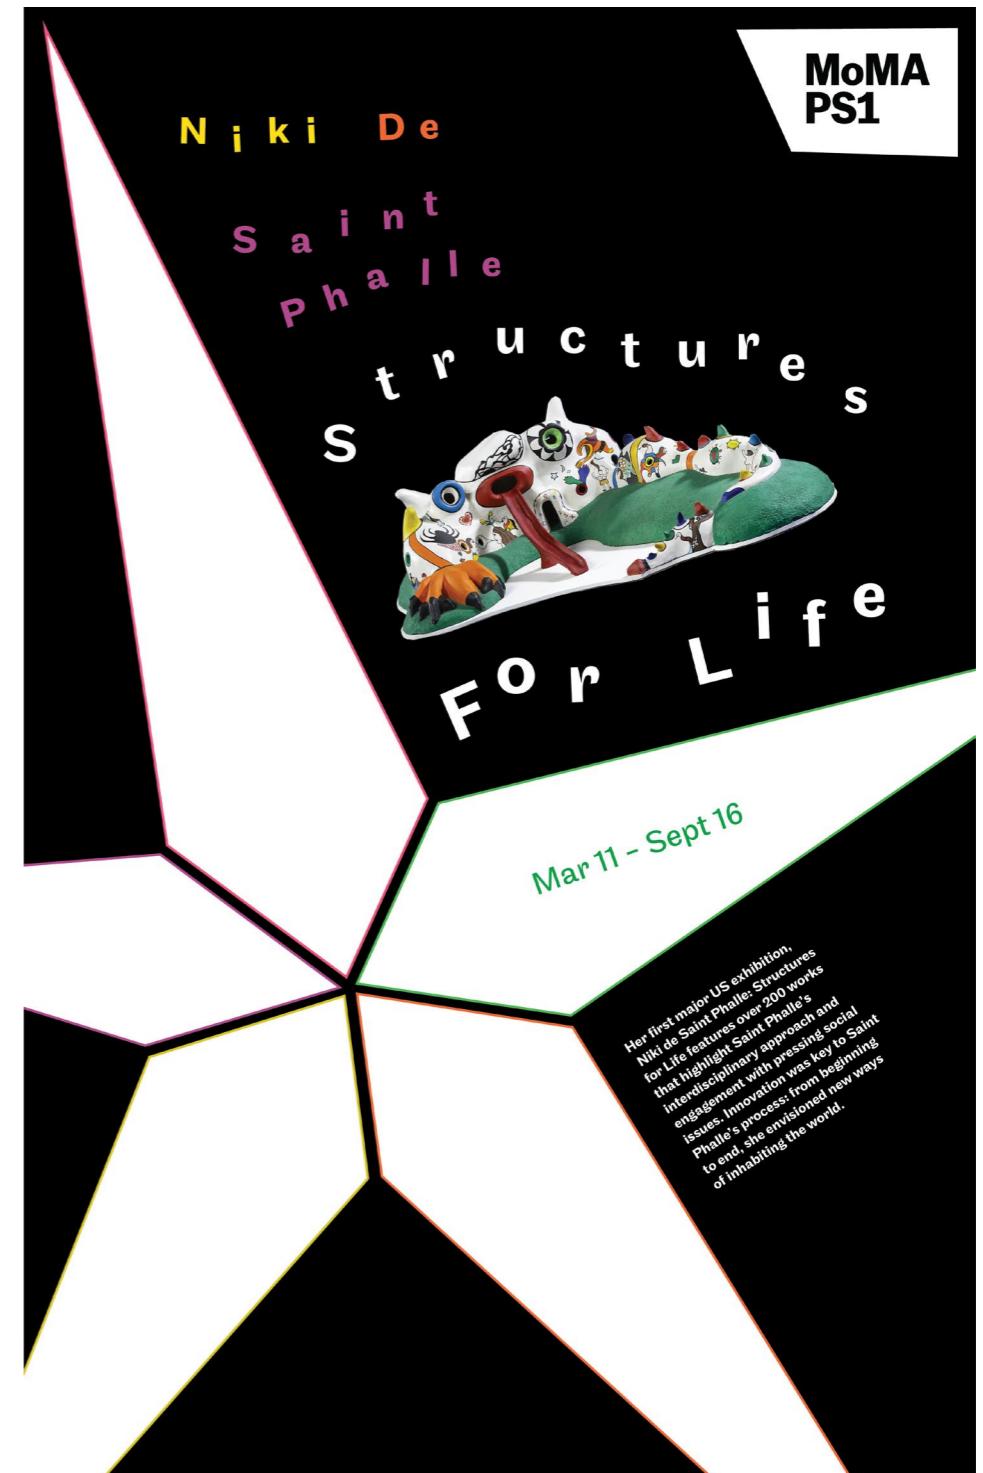

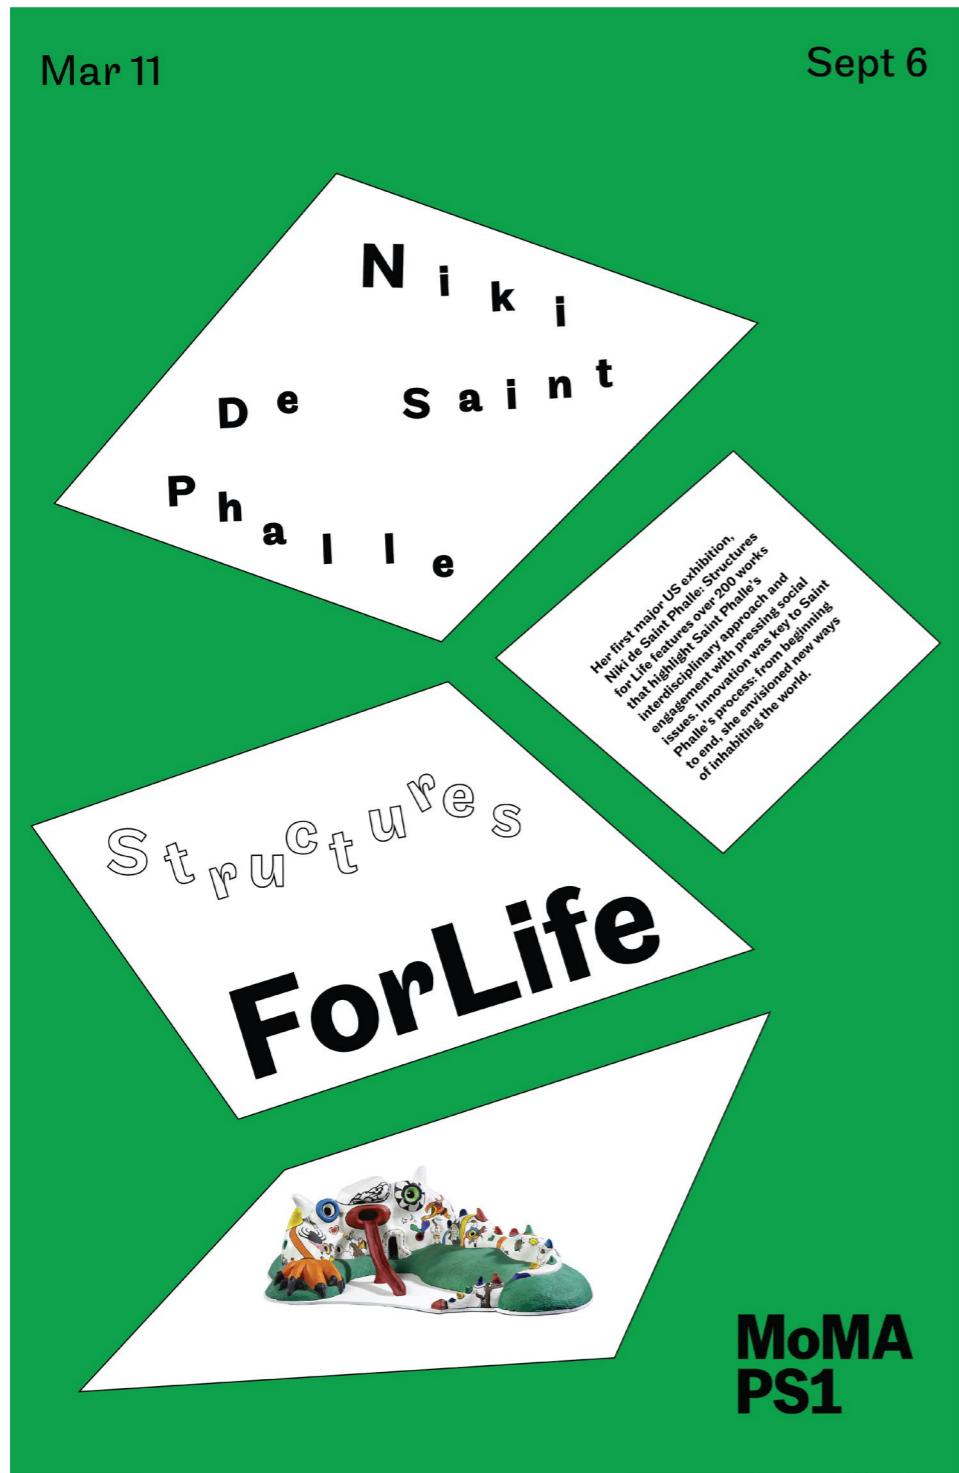

Book Design using one of Wikipedias longest pages on Mary Magdalene. Layout design is made to frame Mary Magdalene in fractions when surrounded by text to replicate the way her story has been misconstrued and misinterpreted throughout time.

Typographical Responses to various selected texts about Graphic Design.

Typographical posters inspired by the Riot Grrrl manifesto and event poster + flyer design for show. Made using scanning, layering and typography in the DIY riot grrrl style flyer uses simple design to be easily printed and reproduced.

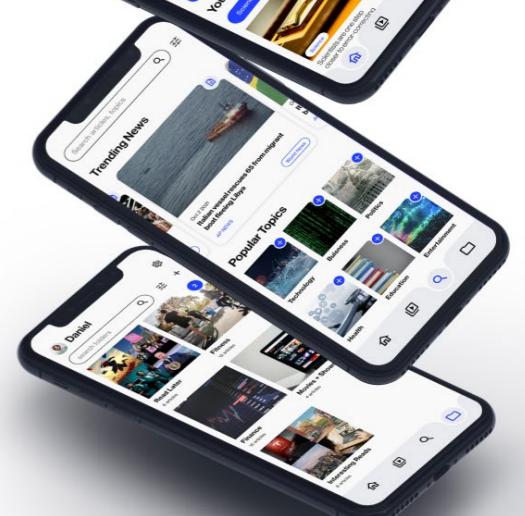

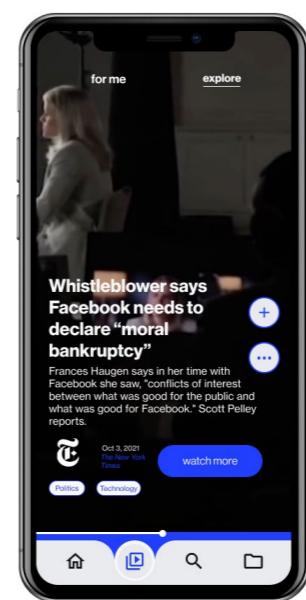

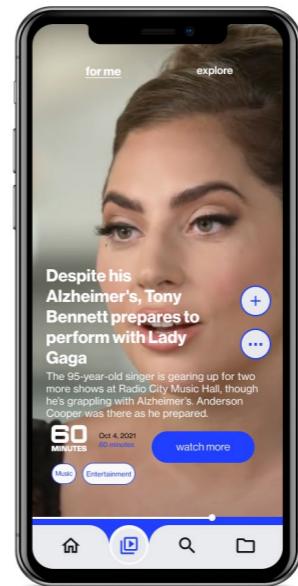

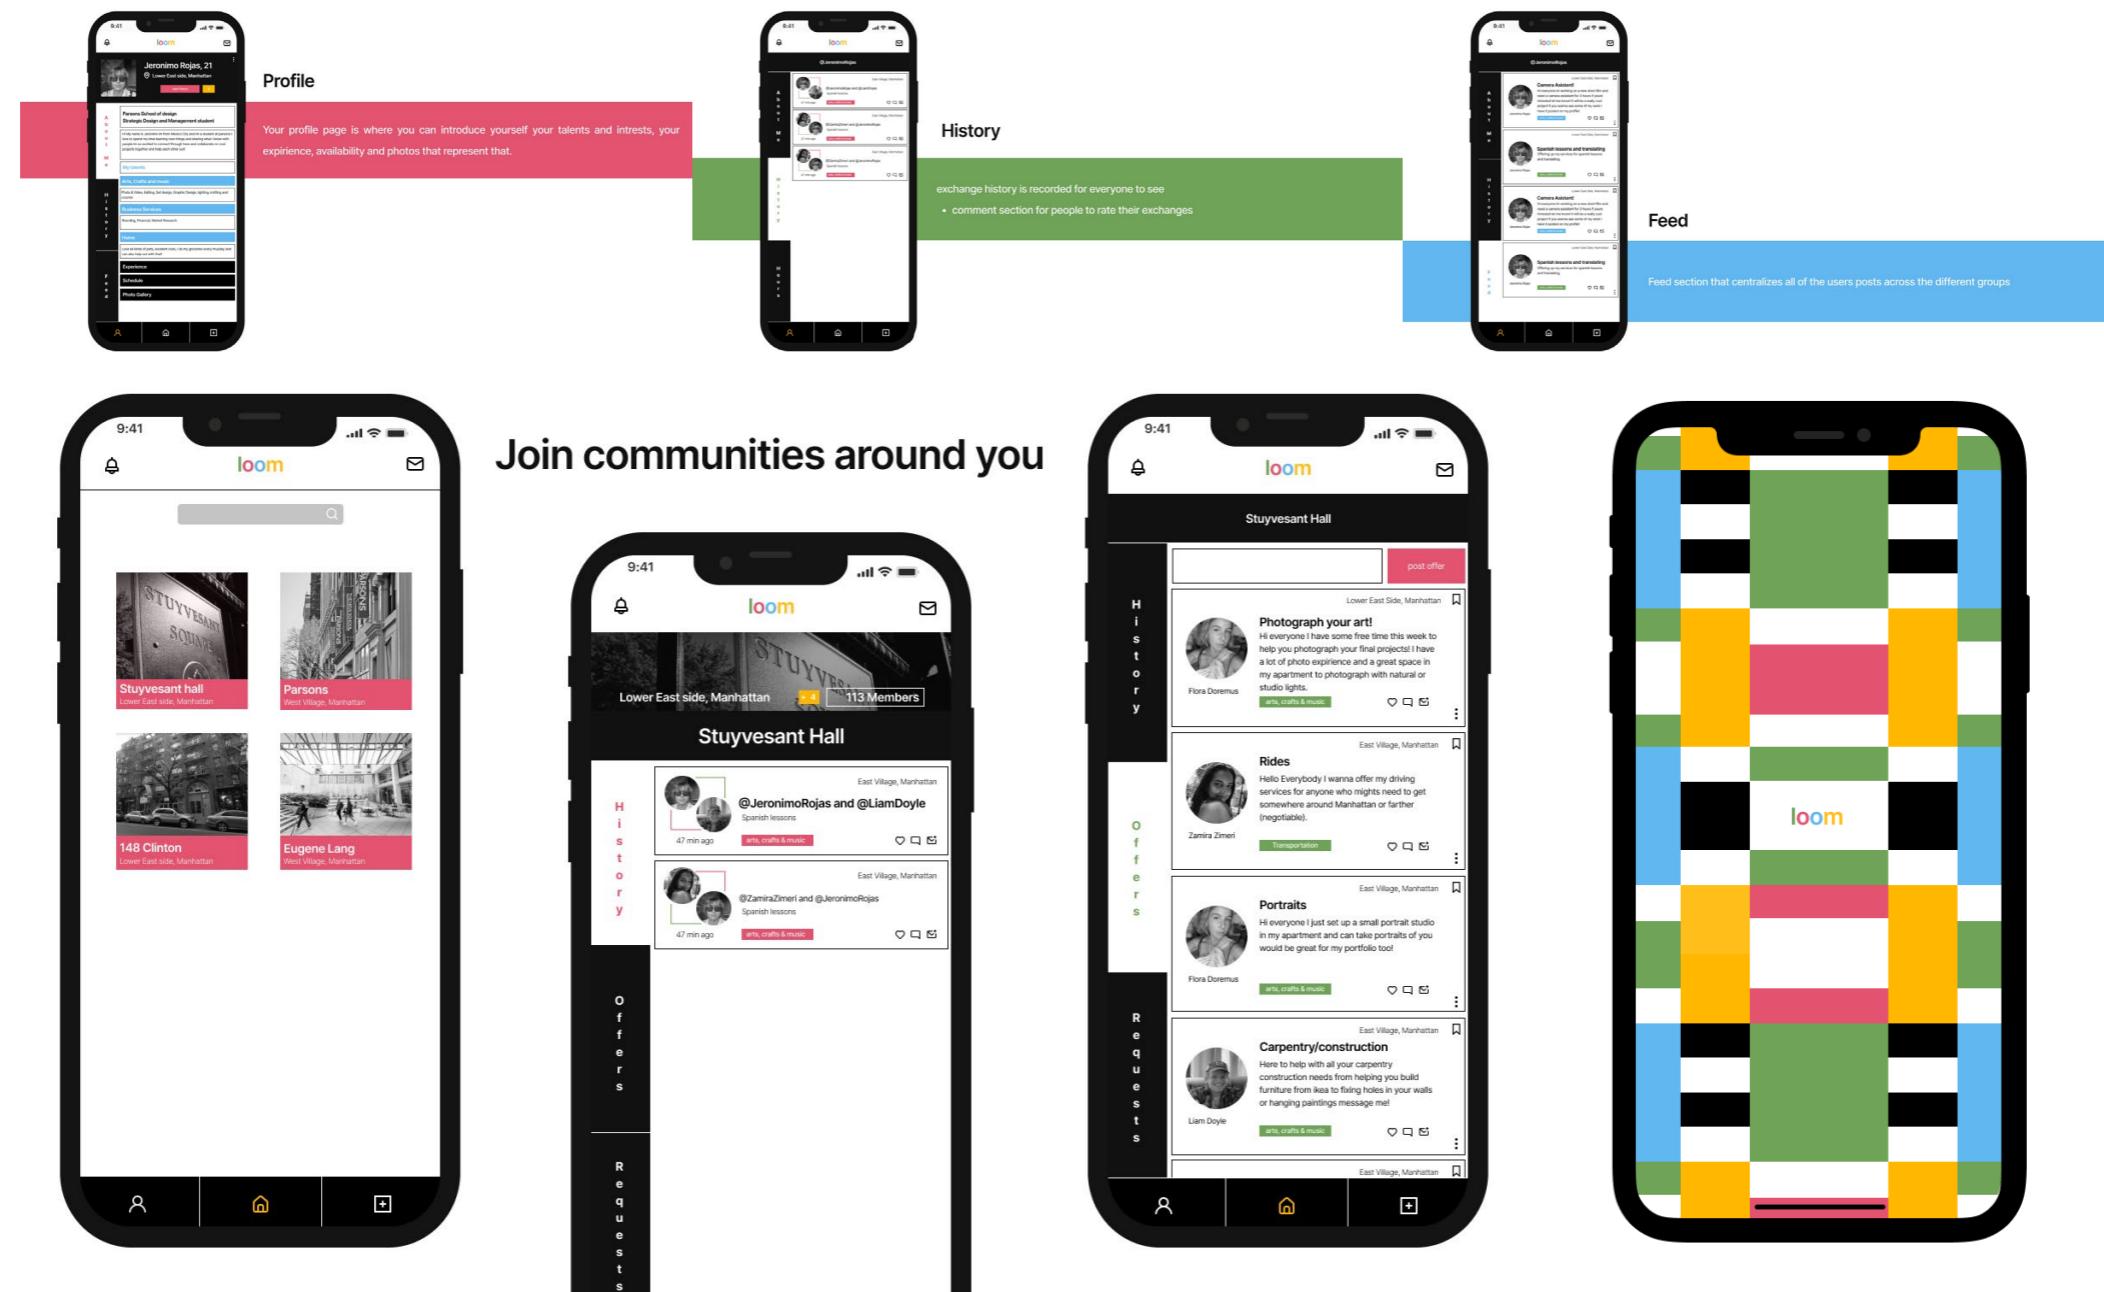

Proposed posters designs inspired by the Niki De Saint Phalle show at Moma Ps1 in Brooklyn New York.
